

Contract questions

The registered e-mail address is out of date. How can I get a new password now?

If you have forgotten your password for the central customer management (ZKM) and the stored e-mail address is no longer valid, you must contact our support. This will then carry out with you a verification of your data so that our support can provide a new e-mail address. You will then receive a new password to this e-mail address. Please contact info@myloc.de

Unique solution ID: #1438
